## Welcome Message from ASCOMOS 2025 Organising Chairperson

Dear Esteemed Delegates,

It is with immense excitement and joy that I welcome you to ASCOMOS JB 2025, the Annual Scientific Meeting of the Malaysian Oncological Society! This year, we gather in the vibrant and ever-evolving city of Johor Bahru under the uplifting theme, “Goals of Hope: Advancing Oncology Together.”

This theme speaks to the heart of what we aim to achieve—a bold and dynamic journey toward reshaping the future of oncology. Together, as a multidisciplinary team of clinicians, researchers, healthcare professionals, and industry trailblazers, we are setting the stage for innovation, better decision-making, and a brighter tomorrow for cancer care.

We are especially delighted to welcome you to the vibrant and dynamic city of Johor Bahru, a place rich in culture, history, and charm. As you immerse yourself in the scientific sessions, we hope you’ll also take time to explore the city’s unique blend of modern attractions and traditional heritage.

Over the course of this event, you’ll experience an exciting lineup of inspiring keynote talks, cutting-edge research presentations, and engaging workshops. Each session is designed not only to enhance your knowledge but also to challenge perspectives, spark new ideas, and encourage transformative collaborations.

But this event is more than just a scientific programme—it’s a chance to forge connections that matter. Building and strengthening networks across disciplines is at the very core of what we do, and I urge you to take full advantage of the opportunities to interact, share, and inspire each other. Together, we can raise the bar for oncology care, giving patients and their families the hope and outcomes they deserve.

As your Organising Chairperson, I am thrilled to welcome such a passionate and dedicated group of professionals. Your presence here signifies a shared commitment to advancing oncology and making a lasting difference. Let’s make this meeting an unforgettable experience filled with learning, collaboration, and, most importantly, hope.

So, welcome to ASCOMOS JB 2025—where innovation meets inspiration, and where hope drives us, and welcome to an extraordinary gathering of minds and hearts. Let’s move forward, together!

With excitement and warm regards,

**Dr Natasha Mohd Hashim**
